- Open patella relieves pressure on the patella area

Indications: Mild to moderate ligament joint pain, strains, sprains of the knee ligaments or patellar instabilities. | **Suggested HCPC L1825**

Order #	Size	Knee Circumference
303	Small	12½" - 14½"
305	Medium	14" - 16"
307	Large	15½" - 18"
308	X Large	17½" - 20"
309	2X Large	19½" - 22"
309-9	3X Large	21½" - 24"

Measure around the center of the knee with leg extended.

Airprene Knee Sleeve

- Unique perforated neoprene-like material that retains heat, but not water
- The perspiration generated by exercise flows through the Airprene to keep the skin dry and comfortable
- Airprene helps the brace stay firmly in place by dissipating excessive moisture, eliminating the slipping and movement of the conventional neoprene brace

Indications: Mild to moderate ligament joint pain, strains, sprains of the knee ligaments or patellar instabilities. | **Suggested HCPC L1825**

Order #	Size	Knee Circumference
303 - AP	Small	12½" - 14½"
305 - AP	Medium	14" - 16"
307 - AP	Large	15" - 18"
308 - AP	X Large	17½" - 20"
309 - AP	2X Large	19½" - 22"

Measure around the center of the knee with leg extended.

Elastic Slip-On Knee Support (Open Patella)

- Easy slip-on design
- Designed to give measured support to a weak knee
- Patella opening helps position sleeve properly
- 11" sleeve

Indications: Mild sprain or strain of the knee tendons or ligaments.

Order #	Size	Knee Circumference
323	Small	12½" - 14½"
325	Medium	14" - 16"
327	Large	15½" - 18"
328	X Large	17½" - 20"

Measure around the center of the knee with leg extended.

Elastic Slip-On Knee Support (Closed Patella)

- Easy slip-on design
- Durable knitted elastic provides support with flexibility
- Seamless construction will not irritate skin
- 11" sleeve

Indications: Mild sprain or strain of the knee tendons or ligaments.

Order #	Size	Knee Circumference
333	Small	12½" - 14½"
335	Medium	14" - 16"
337	Large	15½" - 18"
338	X Large	17½" - 20"

Measure around the center of the knee with leg extended.

Thermoskin Elastic Knee Stabilizer

- Anatomically designed for comfort and fit
- Side stabilizers provide increased medial and lateral support to weak and injured knees
- Available in retail packaging

Indications: Mild sprain or strain of the knee tendons or ligaments.

Order #	Size	Knee Circumference
R - 83646	Small	12" - 13½"
R - 84646	Medium	14" - 15½"
R - 85646	Large	16" - 17¾"
R - 86646	X Large	18" - 19¾"

Measure slightly underneath the knee cap.

Patella Knee Strap

- Strap functions dynamically as knee flexes and extends
- Easy to apply and adjust

Indications: Reduces pain for common joint conditions including Arthritis, Tendonitis and Chondromalacia. Ideal for minor sprains and strains of the knee ligaments.

Order #	Size		
610	Universal		

Neoprene Thigh Sleeve Support

- Designed for relief and protection against injured quadriceps and hamstring muscles
- Provides warmth and equal compression
- Excellent Support

Indications: Mild sprain, strain of quadriceps muscle.

Order #	Size	Thigh Circumference		
300	Small	18" - 20"		
300	Medium	20" - 22"		
300	Large	22" - 24"		
300	X Large	24" - 26"		

Measure around center of thigh.

Neoprene Calf Sleeve Support

- Designed for relief and protection against injured calf muscles
- Provides warmth and equal compression
- Excellent Support

Indications: Mild sprain, strain of gastrocnemius muscle.

Order #	Size	Calf Circumference		
301	Small	13" - 14"		
301	Medium	14" - 15"		
301	Large	15" - 17"		
301	X Large	17" - 19"		

Measure around the center of the calf.

Premium Sized Knee Immobilizer

- Lightweight, cool and comfortable
- Provides support and stabilization for the leg and knee
- Three posterior "I" beam stays for extra rigidity
- Rigid medial and lateral stays for greater immobilization
- Pro-pad insert included

Indications: Sprains, strains of the knee ACL, PCL, MCL, LCL injuries. | [Suggested HCPC L1830](#)

Order #	Size	Thigh Circumference
7003	Small	15" - 17"
7005	Medium	17" - 19"
7007	Large	19" - 21"
7008	X Large	21" - 23"
7009	2X Large	23" - 25"

Measure 4" above the patella.

Tri-Panel Knee Immobilizer

- Tri-Panel design for more anatomical fit
- Movable side panels for medial and lateral stay positioning
- Three contoured posterior stays
- Two medial and two lateral stays
- Velcro™ closure

Indications: Sprains, strains of the knee ACL, PCL, MCL, LCL injuries. | [Suggested HCPC L1830](#)

Order #	Size	Length
703 - H	Universal	14"
705 - H	Universal	20"

Air Tennis Elbow System

- Air tennis elbow system has three uniquely designed features
- Air therapy pad helps reduce swelling
- Foam tension pad to maximize compression and dissipate force
- Fits either left or right forearm

Indications: Tennis elbow syndrome, tendinitis, lateral / medial epicondylitics.

Order #	Size
2301	Universal

Premium Tennis Elbow Support

- Constructed of 2" web strap
- Velcro™ closure for easy application
- Fits either left or right forearm

Indications: Tennis elbow syndrome, tendinitis, lateral/medial epicondylitics.

Order #	Size
2300	Universal

Band-IT™ Tennis Elbow Support

- Provides intermittent pressure across the extension & supinator muscles
- Velcro™ closure
- Fits either left or right forearm

Indications: Tennis elbow syndrome, tendinitis, lateral/medial epicondylitics.

Order #	Size
2302	Universal

Neoprene Tennis Elbow Sleeve with Strap

- Circumferential 2" Velcro™ strap
- Provides warmth and equal compression
- Velcro™ closure
- Fits either left or right forearm

Indications: Tennis elbow syndrome, tendonitis, lateral/medial epicondylitis.

Order #	Size	Forearm Circumference
2303	Small	9" - 10"
2305	Medium	10" - 11"
2307	Large	11" - 12"
2308	X Large	12" - 14"

Measure the largest circumference of the forearm.

Elastic Slip-On Elbow Support

- Easy slip-on
- Seamless construction will not irritate skin
- Provides intermediate compression to the elbow area
- Durable knitted elastic provides support with flexibility

Indications: Elbow sprains and strains, tendonitis, bursitis.

Order #	Size	Forearm Circumference
2313	Small	8½" - 10"
2315	Medium	10" - 11½"
2317	Large	11½" - 13"
2318	X Large	13" - 14½"

Measure the largest circumference of the forearm.

Elbow and Heel Protector

- Most popular, effective elbow and heel protector
- Protector helps reduce pressure on sensitive or injured area
- Lightweight mesh tubular sleeve
- No seams in critical areas
- Cool padded inner cushion prevents "bottoming out"
- Contours extremely well to elbow or heel for added protection
- Packaged one pair per box

Indications: Sore, tender elbow injuries that require padded protection.

Order #	Size
2310	Universal

ADVANCED[®]
ORTHO

Ankle & Foot

AO Carbon Fiber AFO

- At toe off, the limb receives energy and propulsive help
- During swing phase, the foot is supported for ground clearance
- Carbon fiber design offers a high strength-to-weight ratio as well as dynamic mobility
- At first contact, plantar flexion is gradual
- Ground response forces imparted to the foot correspond to the stiffness gradient at the heel and toe

Indications: Drop foot secondary to: - Cerebrovascular accident (CVA) - other neurological conditions - multiple sclerosis - mild knee instability - Charcot Marie Tooth Disease (HMSN) - overuse injuries to the lower extremities.

Disclaimer

Some of our dealers bill medicare and private insurance as part of their business. Therefore Advanced Orthopaedics provides suggested HCPC codes for many products. However, PDAC periodically makes HCPCS coding changes. All changes and updates are posted on their website.

Therefore, we cannot guarantee coverage for a product under our suggested HCPCS codes and you are solely responsible for obtaining updated information from your carrier and properly coding and billing for Advanced Orthopaedics products and other products. Please visit our website for all current PDAC letters on file.

Product Return Policy

Before returning any product, please call our Customer Service Department for return authorization. All returns must be accompanied with the authorization, invoice number and the date of purchase. No returns will be accepted after 30 days from the date of purchase. Please return all products in their original container.

All returns are subject to a restocking fee:

Return Policy	Restocking Fee
1 - 30 days (after invoice date)	25%

1. This new Return Policy is effective as of July, 2021.
2. All credits are predicated on product inspection and approval for resell. Any product that does not meet these standards to be resold will not be credited.
